

The area is very isolated. The earth is reddish-brown in color and has hills a flat-topped buttes. There are striations in the hills as though many layers of soil were there.

There is a crater on the flat portion. A large dark truck pulls up to the rim of the crater and two dark-skinned mustachioed men wearing dark forest-green uniforms with black berets walk over to the rim and peer in. They are carrying rifles.

*I had the feeling*

that I was looking down  
in an opened area. The area  
was brown with a road and a  
large plain. The area was  
isolated. I did not see  
anyone or note any activity.

#101

I GET A LAND/WATER  
INTERFACE. I RE-TARGET TWICE  
MORE AND STILL GET LAND/WATER  
INTERFACES. I LOOK AROUND  
FOR SOMETHING INTERESTING.  
I FIND A SINGLE MAN,  
CASUALLY DRESSED (OPEN NECK SHIRT).  
MAN IS ALONE, I FOLLOW  
HIM SEE HIM AT A SMALL  
MEETING (MAYBE HE IS BEING  
INTERVIEWED, CAN'T TELL). MAN  
LEAVES AND IS ALONE AGAIN.  
SEE HIM PUTTING SOMETHING  
INTO A POACH (LIKE A SADDLE BAG).  
MAN IS NOT FEELING ANY  
STRONG EMOTIONS OTHER  
THAN FATALISM. HE RATIONALIZED  
THAT HE IS DOING WHAT HE IS  
DOING BECAUSE OF ACTIONS  
OF OTHERS.

END
